

How does fundraising work?

Candle Fundraising Program Overview

You will sell our premium 10 oz candles for \$13 each, retaining \$5 in profit per candle sold. We handle the packaging for each seller, ensuring a seamless experience with no sorting required upon delivery. Additionally, we offer FREE shipping for all orders of 96 candles or more! Here's how the process works:

Sign-Up & Initial Supplies: Once you sign up, we will provide you with as many catalogs as needed, along with a set of product samples.

Order Collection: Sellers will record their orders on the order form located at the back of the catalog.

Order Submission: At the end of the sale, sellers will total their orders and transfer the information to a master sheet. The completed master sheet is then submitted to the group leader. Sellers will retain the order forms to facilitate order distribution upon candle arrival.

Submission to Chestnut Hill: The group leader will submit the master sheets to us via fax, email, or mail. We will then send you an invoice and sales report within a few days.

Payment: The organization will send a check to Chestnut Hill for the amount indicated on the invoice. Please note, the invoice will only reflect \$8 per candle sold, allowing you to retain your \$5 profit upfront.

Delivery: We will ship your candles within 21 business days. Each seller's orders will arrive with clearly labeled boxes indicating the seller's name, the number of boxes, and the contents. A copy of the master sheet will be included in the first box for easy verification.

Getting Started: To join, simply click the large red "Sign up Here" button on our fundraising page. Complete the online sign-up form and submit it by clicking "Send to Chestnut Hill." We will promptly send you the catalogs and samples once we receive your information.
